Kevin,

Attached you'll find our standard Part III language that was included in the original draft of the AEC Bennoc permit and has not changed. It is the only thing that was not included with the 10/8/2013 submission.

In EPA's review of the AEC Bennoc proposed permit PDF document, attached herein, that was sent on October 8, 2013 via both email and hard copy we found that the permit contained pages 1- 18.

EPA would like OEPA to confirm that this is the complete proposed permit.

If this is not the complete proposed permit, please send via email, by COB Monday November 4, 2013 any missing pages that OEPA intended to be a part of the permit.

Thanks,

Kevin
